There are over 22,000 union households within SD10 boundaries that can help elect strong candidates that will stand up for working families and do everything they can to protect our jobs and pensions, fight for labor rights and issues. We’re going door-to-door, member-to-member, to hand-bill and talk about supporting labor’s candidates.

You’ll be paired up and briefed in GOTV, and we will provide everything you need to get the task done, including driving directions to each union household in a targeted area of SD 10. We’ll have snacks and goodies for volunteers, and convene with a catered lunch or meet up at a restaurant to show our appreciation.

*E-mail and let us know which Saturday(s) you can volunteer: tcclec@swbell.net or make a quick phone call: (817) 284-1461*     Want more info?
