Sisters and Brothers of TWU Local 513,

The holiday season means different things for all of us. While for most, the holidays are a time of joy and thanksgiving, for others, they may represent sadness due to circumstances or loss. Regardless of the cause, if you or a loved one are having a difficult time, please reach out for help. There are resources available for all types of issues. The first step is recognizing the need for help, the second is making the necessary calls. Our TWU EAP coordinators are available 24/7 to assist members and their families in times of trouble. If you’re in need of assistance, please call 817-800-2623 to speak to Mark Scroggins, EAP Chair. He can assist or direct you to the help you seek. Or, if you or someone you know needs support, call or text 988 or go online at Chat988LifeLine.org. Remember, there is help and there is hope.

The Association will meet December 14th and 15th with AA Labor and the selected arbitrator to continue the Attendance arbitration started in September. Also, the Grievance Review Board (GRB) for GSE/Facility Maintenance will take place next week as well.

Fraternally,

Greg Cosey
President
